

Valentine Truffle Box

Enjoy this free project for a Valentine Truffle Box from The Vintage Workshop! More vintage inspiration can be found online at: www.thevintageworkshop.com Like us on Facebook for updates from our Daily Free Image Giveaway.

MATERIALS NEEDED

- Photo quality inkjet paper - matte finish
- Card stock (8 1/2" x 11")
- Mounting adhesive
- 1/8 yard coordinating ribbon
- Coordinating tissue paper
- Glue gun & glue sticks

SUPPLIES NEEDED

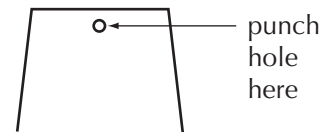

The following supplies will help make this project easier.

- Craft knife
- Metal ruler with cork back
- Cutting mat
- Hole punch

ASSEMBLY

Helpful Hint: *print image using only one sheet in the printer at a time for best results.*

1. Print image on photo quality inkjet paper - matte finish, following manufacturer's instructions.
2. Trace truffle box pattern onto card stock. Cut out and fold at lines as shown.
3. Cut out image. Center and adhere image to front of box with mounting adhesive, following manufacturer's instructions.
4. Hot glue truffle box together at bottom tab and side tabs.
5. Punch a hole at the top center of box through both layers.

6. Wrap a couple of chocolates in tissue and insert into box. String a ribbon through holes and tie into bow.

Give some sweets to your sweetheart.
